Birch Ridge Inn raises money for Susan G.
Komen Breast Cancer Foundation
Contribution made to “Team Killington” and the “Race for the Cure”

Killington, VT, July 16, 2007: Innkeepers Bill Vines and Mary Furlong of the Birch Ridge Inn at Killington are proud to donate the proceeds from the first Birch Ridge Sunday Brunch of the 2007 summer season to “Team Killington” and the Susan G. Komen Breast Cancer Foundation.

Each year, local residents Dick and Noel Gluck organize other Killington area residents and guests to form “Team Killington” to participate in the Vermont “Race for the Cure” to raise funds for the Komen foundation. Killington area businesses are enlisted to contribute to the effort by pledging support to the runners trekking down to Manchester for the ‘Race’.

This year, the innkeepers at the Birch Ridge Inn, Bill and Mary, were happy to provided Dick and Noel with a check for \$613.45 raised at the benefit brunch held on July 1st. The money will be donated in “Team Killington’s” name to the Komen Foundation in conjunction with the 2007 Vermont/New Hampshire ‘Race for the Cure’. This years’ race takes place in Manchester Vermont on July 29th.

Check Ceremony at the Birch Ridge Inn. Team Killington member Dr. George Lyons, team organizers Noel and Dick Gluck, Innkeepers Mary Furlong and Bill Vines, and team member Charlotte Lang. (L-R)
